The Choice of Professionals

DTA reserve the right to change product specifications without notice. Products may vary from pictures shown.
 Colours shown are as close as possible to actual accessory colours.

The Choice of Professionals

DTA offer a wide, modern range of bathroom fittings in a choice of either ceramic or metal finishes. The unique range covers all the necessary fittings that discerning professionals and home renovators demand. The DTA ceramic range is well suited to the more traditional bathroom, available in white plus an exciting choice of colours. The DTA metal range, in a designer chrome or stainless finish is attractively complemented with glass and is ideal for contemporary décor and commercial buildings. The DTA bathroom fittings range is both attractive and competitively priced.
